

LAB: Fashion + Technology

Week 2 – outline

- review tumblr posts
- lecture: fashion futures (aprox 1 hr)
- intro to photoshop
 - white balancing images
 - Tutorials 7-10 from **Digital Textile Design**
 - 7 – photomontage
 - 8 – brush palette
 - 9 – seamless patterns
 - 10 – building a color palette from an image
- digital scanning

Homework:

- **Post research (TUMBLR):** Research materials and post choice on which one you wish to research. Remember a sample will be required of the material and those usually take time to arrive.
- **Scan in 3 images/patterns/motifs/sketches to work on next class for pattern design in Photoshop**
