

LAB: Fashion + Technology

Week 4 – outline

- review Textile Pattern Research (posted on TUMBLR)
- Intro to Illustrator
 - Tutorials 11-16 from **Digital Textile Design**
 - 2 – creating complex color blends
 - 3 – floral motifs
 - 17 – basic swatch pattern
 - 18 – diamond pattern
 - 19 – plaid pattern
 - 20 – half-drop pattern

Homework:

- **Post research (TUMBLR):** Research fashion technology and techniques and identify the ones that you would potentially like to work with.
- **Scan in pattern pieces for engineered prints (use the large scanner at the AOC)**
